**This is Us** is a poem by the children of Perivale Primary School. Each class collaborated and devised a verse for the whole school poem based around the theme of Express Yourself for World Book Day.

Everyone has their own personality,  
Which gives us our individuality  
We are all different and unique.  
Always aim high to reach the peak

Ash Class believe It's important to follow your own dream  
Take your own course and go upstream.  
**This is us.**

It is important that you feel you can express  
By singing, dancing or how you dress  
In Willow class, we love to create  
Even though we are different, we get along just great  
We are all special, which gives us individuality . But we are a team, a perfect mix of personality,  
**This is us.**

In Mulberry Class we like to dance, draw and sing  
We have lots of different qualities to bring  
Together we bring bundles of personality  
But that doesn't stop us from having originality,  
**This is us.**

We're Lime Class - Spot us by our curly hair, straight hair, short frizzy hair, our hair that is out, in braids, cut short, tied up.  
You'll hear us speak in many tongues: English, Kurdish, Russian, Arabic, Hindi, Tamil, Urdu, Gujarati, Polish, Nepalese, Kannada, Portuguese and un peu Français.  
We want to treat the earth with care, grow lots of trees and stop pollution, not make a mess of the planet, do not litter, keep the earth clean, and stop killing coral reefs.  
It is important to do homework. It's essential to keep learning.  
To get by in the world, we must be kind, patient, responsible, helpful, thankful, respectful - even if we don't agree with everyone. We must listen.  
**This is us.**

We love dancing, playing and laughing.  
We love doing our hair while sitting on a chair.  
We love going to the park and hearing dogs bark. We love to be a reader and...  
We are proud to be in Cedar!  
**This is us.**

Elm Class say, expressing ourselves fills us with joy,  
Being with our friends at school,  
To have some fun and share our toys,  
Try expressing yourself, it's cool!

In Poplar, we all express ourselves in different ways,  
It doesn't matter what others say.  
We are all unique,  
It's important to always speak and never be weak.  
We can use different ways to communicate, Also enjoy to skate.  
We can even use a variety of ways to create, If this makes us feel great.

Beech Class feel good when we sing  
We like to see the joy it brings

We feel calm when we draw  
Like the waves at the seashore  
**This is us**

Maple class say  
When we are on a swing, we can sing  
we love to prance, when we dance  
we like to bring, flowers in spring  
We're in a trance, when we think about France  
**This is us.**

You'll know Sycamore Class by my right eye that is lighter than my left one, my brown, curly hair, my scar on my cheek, my dark, brown eyes, my long caramel coloured-hair, my light brown eyes, my special necklace, my big smile.

We speak Tamil, French, Portugese, English, Hindi, Spanish, Patwa, Swiss, Iranian, Punjabi, Urdu (and many more!)

We strive to be caring, happy, proud, friendly, respectful, mindful, accepting and forgiving people.

We believe that it is important to be respectful, treat others how we want to be treated, look after our planet and be kind.

Let's make this world a better place to live in by loving and caring for each other. We can do it together.  
**This is us.**

Waiting for the school gate to open,  
Oak and Chestnut class itching to return to a day of school,  
Ready for learning,  
Eager to begin.

Yearning to play football,  
To resume the playground fun,  
Happy to be normal kids again,  
Back where we belong.

Science experiments are what we want,  
Looking through the pages of History,  
Minds exploding, minds blown,  
Let's cherish these moments.  
**This is us.**

## School Attendance

Attendance for past two weeks was 95.1%. This is lower than government target of 96.1%.

Best class attendance at 100% was Ash class last week and Sycamore this week. Well done children!
