October - 3.30pm -
7.30pm**

**Parents will need to
book appointments.
Details will be sent
shortly.**

Welcome to Perivale

Dear Parents and carers,

Welcome back to school and hello to our new children and their families. It's been lovely to see everyone back and the children settled into their new classes and routines. A big thank you to parents for ensuring children arrive on time to school and looking smart in their school uniform. As a reminder, children should only wear their PE kit to school on their PE day.

We have exciting plans for our curriculum this year and are looking at further opportunities to engage parents in their child's learning. Our main focus this year will be to ensure that 'No Child is Left Behind' and to close any gaps in their learning as a result of the pandemic.

A massive thank you for your generous contribution and support for our cake sale last week in support of Macmillan Cancer.

As always we are here to support and work in partnership with parents and I am looking forward to an amazing year!

Mrs Fenlon - Y5 Teacher

Ms Turnbull - Y3 Teacher

Ms O'Neill - Y1 Teacher

Mr Mistry - Teaching Assistant
in Y5

Ms Khodaghlian - Teaching
Assistant in Y3

Ms Rhule - Y2 Teacher

Ms Cheatley - Teaching Assistant

School Uniform

Parent/Carers are reminded that children must wear the correct uniform to school. Please refer to the school uniform list on our website.

<https://www.perivale.ealing.sch.uk/parents/school-uniform/>

We will be monitoring uniform.

Thank you for your support.

Message from Chair of Governors

Dear Parents,

Welcome to a new school year from all your Perivale governors. We do hope that the year has started well for you and you are excited to once again be doing the 'school run'. This year we look forward to meeting you as we will be in school more - not only to support Ms Daley and her team, but to get to know staff, pupils and yourselves. If there is a school event you would like us to support please do let us know. One of us would be delighted to attend.

Toward the end of the last school year we had an additional three new members joining us and in the next newsletter they will introduce themselves, but for now please join me in welcoming:

Duncan Partridge

Sharine Tyndale

Rob Hawkes

Currently we do have a vacancy for a parent governor to join with Rabiaa Khairoun, who has done a wonderful job as the lone parent governor over the last difficult year. The school will contact parents next week regarding the process for nominations.

Best,

Chris Green

Chair of Governors

Reminder to Parents

If you drive your child/ren to school please do not park illegally on yellow lines or block resident's drives. Thank you for your continued support.

Breakfast & After School Club

Children in Reception to Y6 will be able to attend the breakfast and after school club childcare provision at St John Fisher primary school. If you are interested, please contact them directly.

Online Safety Tip

You can find online safety tips and information about social networks, apps and games for parents www.https://www.net-aware.org.uk/

Macmillan Cake Sale

Perivale enjoyed a fantastic cake sale after school last week. We thank all those parent/carers and pupils who bought or made cakes for the event.

You will be pleased to know that we raised an incredible £581.27 for Macmillan Cancer Support charity.

Thank you again for your generosity.

Home Reading Books

We are delighted to start sending home reading books for children from Years 1 to 6 to practice reading at home from Friday this week. **Children are expected to read with an adult for at least 10 minutes a day for all year groups.** For children who are learning and consolidating their phonic knowledge we will be sending home phonetically decodable books. These books follow a specific order and so we may ask you to read a book using the online Big Cat e-reader if we do not have enough copies of the book to send home.

Reading activities will be posted on the Google Classroom for your child to complete alongside any book that they read.

Books will be changed once a week. If the book is not in school on that specific day then the book will be changed the following week.

Damaged, defaced or lost books will incur a £5 replacement charge per book.

A parent workshop for KS1 parents to explain more details about reading at home will be held via zoom on Tuesday 5th October at 10:00am. A text message with the link will be sent to parents on the morning of the workshop.

Online Open

Evening

Autumn Term 2021

We are pleased to invite parent/carers of children in Reception to Y6 to our open evening this term via zoom.

You will be sent a text message on Tuesday 5th October to book your online appointment time.

Dates and Times:

Wednesday 20th October 3.30pm - 5.30pm

Thursday 21st October 3.30pm - 7.30pm.

Zoom links for the meetings will be sent to you the day before your meeting.

Early Years Parent Workshop

The Ealing Schools Counselling Partnership works to improve the emotional wellbeing of children, parents, and staff by working with the whole school community.

Is your child still struggling or refusing to come to school?

Is your child clinging to you at drop off ?

Do you feel that your child is not quite school ready?

We have all been affected by COVID. Reception and Nursery Children have spent longer at home without access to play centres/stay and play etc. Families have been isolating and not seeing extended family members possibly making this transition to school even more challenging for them.

Helen Thorp our **Therapeutic Lead in School** is running an online workshop for Reception and Nursery parents on **Thursday 7th October at 10.30am**, where we can think about the challenges you and your family are facing and think of some strategies to help.

The zoom link will be sent parents the day before the meeting by text message.

Ealing Schools Counselling Partnership

**Supporting children,
families and schools**

The Ealing Schools Counselling Partnership is working to improve the emotional wellbeing of children, parents, and staff by working with the whole school community.

Every Thursday Helen offers a lunchtime drop-in for children who want to talk about any feelings or worries they may be struggling with. This is a safe, confidential space where children can feel listened to, feel better or better understand their emotions. If you **DON'T WANT** your child to make use of this service, please notify the school as soon as possible.

Helen is also here to support parents/carers. If you are struggling with anxiety, or have experienced a bereavement, had a family breakdown, suffered a job loss. We are here to support you.

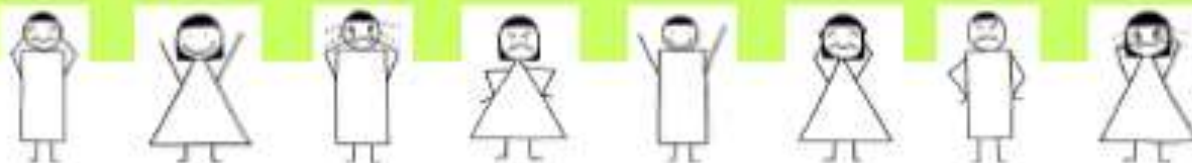

Helen is also here to support you if you are worried about your child, how to support them with their anxieties, their behaviour and emotional wellbeing.

We offer a confidential space in which thoughts and feelings can be explored without judgment.

If you would like some support please contact:
