

Tuesday 9th November 2021

Dear Parents and Carers,

Homework Task for Children in Y1 to Y6

As you are aware, we have experienced delays with the supplier in the delivery of our homework books this term.

We have been able to distribute books to Y2, Y3, Y4, Y5 and Y6 today and are hoping to have received all books ordered for Y1 by the end of this week. We apologise once again to parent/carers for the delay.

In the meantime, we have an exciting project for children to work on at home. We would like children to create a vision board, showing what they would like to be when they grow up and the skills they need to achieve this.

Children should be as creative as possible, the sky is the limit to what your child would like to be!

These will be shared in class on **Friday 19th November**.

An example:

Yours sincerely

Audrey Daley

Head Teacher
