

## **Governing Board Autumn Term Update**

What an Autumn at Perivale!

School is back and it has been wonderful for governors to once again be back in school supporting Ms Daley and her team. We have held our Governing Board and committee meetings both in school and online, and we have new governors settling into their roles.

### **New Members**

We are pleased to be able confirm that we have added 3 new Governors to the Governing Board at Perivale Primary School. As you will see from their biographies below, all of these Governors come with a strong background in Education.

#### **Robert Hawkes**

Robert currently works in the School Effectiveness Team for North Northamptonshire Council, and has worked in a variety of Local Authority Education Services roles. Robert strongly believe that every child should have every opportunity to succeed and thrive. I also believe that strong governance provides a firm foundation for an effective school.

In his spare time, Robert is a keen runner, golfer, and cyclist. Robert also coaches beginner athletics with Harrow Athletics Club.

#### **Duncan Partridge**

Duncan is an experienced educator and Headteacher. Currently Duncan operates as an executive coach and trainer, with a particular focus on supporting schools, teachers, and school leaders. Duncan enjoys playing tennis and is a keen amateur actor.

#### **Sharine Tyndale**

Sharine has been working in education for 15 years. Sharine has a passion to educate and support children's development in the crucial years of schooling. In her free time, Sharine enjoys travelling, exploring the world's natural beauty, and culture. Sharine is looking forward to getting to know Perivale Primary School and its community.

Returning to school has presented challenges for everyone at Perivale, but it has been heartening to see everyone supporting each other in getting back to enjoying teaching and learning. The governing body acknowledge the hard work of Ms Daley and her team, and thank you as parents for your contribution in supporting them. As we head toward the Christmas season, we wish everyone at Perivale a peaceful and restful season.

Chris Green

**Chair of Governors**
