Friday 15th July 2022

Dear Parent/Carer

Extremely Hot Weather Arrangements

As you are aware next week temperatures could be in excess of 35° in the southeast, with Monday and Tuesday most likely to see temperatures around this level and higher.

The school will remain open. To keep children safe during this period of extreme temperature we will be encouraging good ventilation in the classrooms, including the use of fans, encouraging children to drink water regularly to maintain hydrated, and avoiding vigorous physical activity, especially during the afternoon. Air conditioning units have been hired for children in early years.

To keep your child cool and comfortable, we encourage you to dress your child in comfortable cool clothing e.g. PE shorts and t-shirt, school summer dress, hat or cap and use of sunscreen.

During the school day we will be encouraging children to drink plenty of water, so please ensure your child brings their water bottle to school every day.

Yours sincerely

Audrey Daley
Headteacher
