Dear Parent/Carer

Update for Y5 Camping Experience

As you may be aware, the forecasted temperatures for the beginning of next week are very warm. For the health and safety of our children and staff, a decision has been made to cancel the overnight camping element of the camping experience.

Children will still be able to take part in activities on Tuesday 19th and Wednesday 20th, during school hours only. Extra shelters will be erected on the school site for children during the day and they will have access to regular water breaks.

To compensate for the camping not taking place, parent/carers will be charged a total of £43.00 for the experience. Refunds for those who have paid the total amount will be made direct to your ParentPay accounts.

Your child will need a packed lunch for both activity days. If your child normally has a school meal and you wish to order a packed lunch please contact the school office.

Please note you will be charged £2.35 from ISS catering for each packed lunch, if you are not registered to receive Free School meals.

We realise that this may be disappointing for the children but know the children will enjoy the rest of the activities which will include team building, archery etc.

Yours sincerely,

Audrey Daley

Headteacher
