School Vision and Values

Thank you to all the parents/carers who were able to join in the coffee catch up this week with Miss Daley and the Senior Leadership Team. The presentation involved setting out Perivale's vision and values for the year ahead. We are excited and proud to share the following with you:

Perivale Primary School Vision 2022

'An aspirational community that enjoys learning and contributes to an ever-changing world'.

Perivale Primary School Values 2022

We are
Respectful
Curious
Inclusive
Resilient

We
Aim High

Miss Daley introduced a new school house system that is currently being rolled out in school. Perivale Parliament members voted on the following public figures to head up each house. Children have now been allocated to their house by their teachers and will receive dojo points when they demonstrate any of our school values during their school day.

PE Uniform

We are introducing a change to our school PE kit, to reflect our new school house system which will take effect from September 2023.

We are not asking parent/carers to purchase these straight away. Please continue to wear the coloured PE t-shirts until outgrown by your child.

Welcome to Early Years

We welcome all our children who have recently joined Reception and Nursery classes. Everyone has been busy settling in to school and getting to know one another. Children in Reception are learning all about 'My Family' and have been bringing in family photographs to school. Nursery children have been creating wonderful art work this week for parent/carers to treasure.

Nursery Vacancies

We currently have vacancies in our nursery. If your child turned 3 years old before 31st August 2022, they will be eligible to join our nursery to receive 15 hours of free nursery education per week. We have a further intake of nursery children in January 2023, for those who turn 3 years old from 1st September to 31st December 2022. Please contact the school office for a registration form and please tell any of your friends and family about the availability of nursery places.

Year 6 Camping Experience

Children took part in an exciting overnight camp in school last week. They chose their camping groups and took part in: setting up and taking down their tents, listing ingredients, shopping and cooking their own dinners! Everyone enjoyed taking part in games and team building activities. Their evening was topped off with a lovely campfire and hot chocolate.

"I felt very happy when I went camping because it was fun doing the activities and building the tents".

"For me, the camping experience was very enjoyable. We got to play games like Bungalow and we got to do activities like building tents with our friends."

All Year 5 children will have the opportunity to take part in this activity in the summer term. Details will be sent to parents later this term.

Book of Condolence for Queen Elizabeth II

Thank you to our whole school community for taking the time to write such lovely messages of condolence for Queen Elizabeth II. The book of condolence will remain by the school office for you to write any messages until Friday 30th September. It will be passed onto members of the Royal Family, and may be held in the Royal Archives for posterity.

Clubs

The autumn term after school clubs will begin on **Monday 26th September**. The clubs are extremely popular with families and as a result, we have a waiting list in place for most clubs now. If you were unable to secure a place for your child and would like to be added to the waiting list, please contact the school office. The school will be looking at extending this provision in the future, so more children can attend a variety of clubs.

Important Privacy Notice for Parent/Carers

Please find below a link to our privacy notice that we ask you to read and familiarise yourself with. If you have any queries regarding the policy, please contact a member of the school office.
