

Class Dojo

This year, with ClassDojo, we will
build our classroom community together

Feedback from trial

- Last summer, we trialled Class Dojo in Ash Class, Year 4
- It was great to be able to share with the parents what their children were doing in their learning and they loved seeing it
- A real community amongst the members of Ash Class started to develop as parents were able to leave positive comments about the activities their children participated in
- As a result of the positive response, we are going to roll out Class Dojo to all classes

How we will use it

- We use the ClassDojo App to communicate securely with you about your children online.
- The app offers a Facebook style interface which manages the flow of frequent information from school to home.
- Pupils will have the opportunity to login to their own area of ClassDojo and change their avatar (monster) as well as view their points.
- It provides an easy way for you to join the conversation. It is secure and personal to our school and provides information in an easy to use format similar to Twitter and Facebook.
- We will use ClassDojo to keep in touch with you about school events, send reminders, send celebratory messages about learning and community activities.
 - *Please note that teachers will publish stories but will not reply to any comments. Parents/carers need to still follow the existing communication procedures for things like, reporting absences or making a complaint.*

What does this mean for you and your children?

**A positive culture
for your kids**

Students will know they are valued and belong. They're an important part of our classroom community

**YOU are deeply connected
to the classroom**

ALL families will be part of our classroom community. With the help of ClassDojo you'll get a window into your child's learning

**Your children are actively
engaged in their learning**

Students participate in building a positive culture where we make mistakes, take on big challenges, and cheer each other on

Teacher + students + family = We're a team 🙌
and teamwork makes the dreamwork

- Class Dojo has three main elements that we will be using:
 - Digital Sticker points - Pupils will collect Dojo points from staff members when they show positive behaviours linked to our values and school rules such as: sharing, kindness, being helpful, listening, ready to learn, achievement, collaboration and behaviours linked to the thinking skills. Please see our Behaviour Policy for further details.
 - Class Story - general class news and celebrations, reminders and updates.
 - School Story - news from across the school, on the day it happens, informing you about whole school events, sporting results and other whole school information and updates.

How we'll use ClassDojo

ClassDojo in our class

As a school, we will

- Post announcements, files, events, and reminders to our Class Story
- Share photos and videos of classroom activities, lessons, and more on our Class Story and through Messages
- Send private messages to keep you in the loop
- Like and leave positive feedback on students' Portfolios

How we'll use ClassDojo

ClassDojo in our class

Families will...

- Like and/or comment on photos, videos, Events, and files shared on Class Story
- Like and leave positive feedback on their student's Portfolio
- Translate any message or Class Story caption into your preferred language as needed

What's happening now

- We are using Class Dojo points in classes as part of our positive approach to behaviour
- We are currently drafting a Class Dojo Policy and Home/School Agreement setting out the expectations of all participants and stakeholders
- We will be sending out letters guiding parents/carers on how to connect to their child/ren's Class Dojo
- A parent workshop will be scheduled next half term to provide further information
