Year 4 Ash and Poplar Assembly

Year 4 worked hard to rehearse their class assembly based on the classic Roald Dahl book, Charlie and the Chocolate Factory. They made giant lollipops, designed their own golden tickets and sang the Oompa Loompa song. Miss Young and Mr Franco are extremely proud of all the children.

Year 4 Science - Invertebrate Hunt

Last week, Year 4 went out onto our school field to carry out an invertebrate hunt as part of their Science topic, Living Things and their Habitats. They used bug collectors and magnifying glasses to explore a variety of insects found in our local environment.

Benefits of joining:

- Learn new cooking skills
- Explore new ingredients
- Improve on Maths & Listening skills
- Gain confidence & social skills
- Food to take home to eat

SUMMER TERM
Perivale Primary School
 Wednesdays 7, 14, 21, 28 June & 5 July

After-school cooking classes

TO BOOK -
<https://kiddy-cook-west-london.class4kids.co.uk/>

Each week, children will make a dish from scratch to take home, along with a recipe card enabling them to recreate their masterpieces time and time again!

Classes last for 1 hour and are booked in blocks per school term. Each block will consist of both sweet and savoury dishes but will always follow the principles of healthy eating.

Ingredients, utensils and aprons and recipe cards provided for every session.

An exciting new cooking club will start on Wednesday 7th June 2023. To book a place please contact the number on the leaflet

Come and create some puppets and put on your own show at the new art club which starts on Tuesday 13th June 2023. To book a place please log onto ParentPay.

My Mini Pinocchio Puppet and Puppet Stage

From
 Tuesday, 13 June 2023
 to
 Tuesday, 11 July 2023

Let your kids have fun making their own character from a very famous story, 'Pinocchio'.

Kids will be creating Pinocchio the puppet and plus a mini stage theatre out of a cardboard box to make it even more fun for kids.

Edible Gardens PTFA project

The PTFA have initiated a project to restore the school allotment space and turn this into an edible garden where the children can learn about nature, gardening and how to cook healthy meals.

They have partnered with an organisation called Urban Edible Gardens, that specialises in designing, building, gardening and providing workshops for gardening and outdoor cooking.

They are exploring ways to obtain funding, including grants from Ealing Council and other sponsors, along with crowdfunding.

To be awarded with the grants, the school needs show a keen interest in the project, this can be achieved by liking 👍 the project page on Space Hive via this link:

<http://www.spacehive.com/perivale-primary-garden>

It would be a massive help if parents and carers can support by clicking on the link and liking the project page. Please ensure you register and validate your email for the like to be added.

We need to raise a minimum of 50 likes.

Donations would also be welcomed, donations can be made via the same link.

We hope to keep you posted on the progress!

Parking

We have recently had some complaints from residents in our neighbouring roads about parents parking on the corners of roads on double yellow lines making it dangerous for people crossing the road. This is particularly the case on the corners of Fairfield Drive and Brooklands Avenue.

If you are picking up children from after school clubs, please do not block the driveways of the neighbouring properties as they are then unable to leave their driveways.

We will be contacting Ealing Parking Services to ask them to patrol this area more often to stop this happening. Please be considerate of other residents when you park to drop off or pick up your child.

Please see the link below if you would like to find out more about keeping your child safe online

Many children are now accessing devices within the very first years of life. Sadly this means that young children are now exposed to many risks associated with using devices. Are we doing enough to protect children in the early years, and to help them to form healthy and positive online habits?

FREE Webinar for Parents

We have partnered with the [Early Years Alliance](#) to offer a 1 hour webinar on Thursday 8th June 10-11am to parents of children aged 0-5 years, about simple steps to take to keep children safe when using online devices. Find out more [here](#)

Holiday Playschemes

The Family Information Service has put together a list of holiday playschemes running during the May Half Term holidays.

Please click [here](#) to find out more.

Perivale Children's Centre

Perivale Children's Centre is offering a range of activities for parents/carers and children from 0 to 5 years old, including Stay and Play, Baby Club, Baby Massage and Sensory play. For further information about how you can book sessions, please visit our website <http://www.ealingfamiliesdirectory.org.uk> or contact us for further enquiries on 020 8825 5380.

More information can be found on the link below
