

# Perivale Primary School

## Year 5 Curriculum Newsletter

### Summer 2

2022-2023

Welcome back to the Summer Term!

### Writing

This half term the children will be studying Anthony Browne's 'Zoo' where they will be writing their own narrative from a different perspective.

In celebration of the 75<sup>th</sup> anniversary of the Windrush, we will be exploring the journey that was taken in June 1948. The children will then create their own poems using figurative language.

### Geography

#### Journey's - Trade

In this unit, the children will find out about the UK's global trade links, investigating where everyday products come from and the journeys they take to our homes. The children will also map the journeys taken by items, and research the pros and cons of buying local or imported goods.

### **WEEKLY SCHEDULES**

#### **Library**

Wednesday (Lime)

Thursday (Sycamore)

#### **PE**

Outdoor - Tuesday

Indoor - Thursday

#### **Homework Due**

Wednesday

#### **Spelling Test**

Friday

~~Reading Log and Reading Books~~

Friday

### **Maths**

This term the children will continue exploring angles. They will practise how to measure angles from a point using a protractor. They will then move on to position and direction where they will learn to plot given coordinates, draw shapes. In addition to this they will look at translation and lines of symmetry. We will then recap decimals, measurement and volume. Finally, the children will practise converting units of measure.

### **Science**

#### Animals including Humans

The term the children will be learning about the life cycle of mammals. They will look at the key stages (the baby, the young stage and the independent stage). They will then recap the gestation of mammals from our living things in their habitat's unit. While explore gestation, they will be learning about the process of a baby maturing inside a uterus between conception and birth. The children will also learn about puberty and how a child's body changes when they become an adult.

### Summer 2

### 2022-2023

#### PSHE

##### Relationships

This term Year 5 we will be looking at growth mindset and how we can be resilient in the face of challenges.

The pupils will be looking at the differences in families and the physical and emotional changes in puberty.

They will also be looking at the differences between culture and religion and how these impact everyday life.

#### RE

##### ***How is human identity and belonging shaped by faith and belief?***

This half term the children will have the opportunity to explore and reflect upon the way in which religion, faith and belief shapes their own and other people's lives. It will examine the nature of faith, the impact that this has, both on individuals and communities, and consider the way in which religious traditions mark rites of passage in life and in death.

#### DT

This half term the children will use cams mechanisms to design, make and evaluate a variety of stable moving toys.

#### Dates for your diary

##### **RGE Workshops**

*Tuesday 20th June 2023*

##### **Sports Day**

*Friday 14th July—AM*

##### **Police Visit**

*Thursday 13th July @ 9:15am*

*Topic: Drugs*

##### **School Reports**

*Friday 14th July—school reports come home to parents.*

#### Computing

The children will be exploring coding this half term using Scratch. They will design and code their own interactive quiz.

#### PE

**Indoor – Health and Fitness.** In this unit the children will develop their coordination through sending and receiving a ball. They will work on their agility chasing the ball during activities.

**Outdoor - Athletics.** The children will have opportunity to take part in athletics in preparation for Sports Day.

#### Music

This half term children will be learning to play the keyboard with our specialist music teacher. Resulting in them playing short, well-known tunes. The children will also be participating in a weekly singing assembly practising our school song – Count on Me – Bruno Mars.
