#### 1. Vision

At Perivale, good behaviour is fundamental to successful learning in the classroom for both pupils and teachers. A well-planned and delivered curriculum enables pupils to learn, be curious, debate, and challenge themselves.

At Perivale, we have high expectations for all our children. We aim to provide an inclusive, safe and calm environment where everyone is valued and knows that they will be listened to.

We believe that developing positive relationships between staff, pupils and families are integral to building the self-esteem, trust and integrity necessary to promote positive behaviour.

The policy is based upon clear research from Paul Dix, who states that there are five areas of pivotal practice, which we weave throughout our behaviour management and wider community ethos:

- 1) Consistent, calm adult behaviour
- 2) First attention to best conduct
- 3) Relentless routines
- 4) Scripting difficult interventions
- 5) Restorative conversations

Our policy reflects our vision of 'An aspirational community that enjoys learning and contributes to an ever-changing world.' It reflects our commitment to securing the right to learn for all and our belief in promoting a consistent learning environment, and our aim is to develop a personalised approach based on a child's specific academic, social, mental and emotional needs.

### 2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- > Behaviour and discipline in schools
- > Searching, screening and confiscation at school
- > The Equality Act 2010
- > Keeping Children Safe in Education
- > School suspensions and permanent exclusions
- > Use of reasonable force in schools
- > Supporting pupils with medical conditions at school

It is also based on the <u>Special Educational Needs and Disability (SEND) Code of Practice</u>.

In addition, this policy is based on:

➤ Section 175 of the <u>Education Act 2002</u>, which outlines a school's duty to safeguard and promote the welfare of its pupils

- > Sections 88-94 of the <u>Education and Inspections Act 2006</u>, which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- ▶ <u>DfE guidance</u> explaining that maintained schools must publish their behaviour policy online

#### 3. Definitions

#### 5. Roles and responsibilities

#### **5.1 The Governing Board**

The Governing Board is responsible for reviewing and approving the written statement of behaviour principles (appendix 1).

The Governing Board will also review this behaviour policy in conjunction with the headteacher and monitor the policy's effectiveness, holding the headteacher to account for its implementation.

#### 5.2 The headteacher

The headteacher is responsible for reviewing this behaviour policy in conjunction with the Governing Board, giving due consideration to the school's statement of behaviour principles (appendix 1). The headteacher will also approve this policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of pupils.

The headteacher will ensure that this behaviour policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary.

The headteacher alongside SLT will ensure that the data from the behaviour log is reviewed on a fortnightly basis, to make sure that no groups of pupils are being disproportionately impacted by this policy.

#### 5.3 Staff

Class teachers are responsible for:

- > Implementing the behaviour policy consistently
- > Modelling positive behaviour
- > Providing a personalised approach to the specific behavioural needs of particular pupils
- > Recording behaviour incidents on SIMs (level 4 and 5) Phase leaders MUST be advised.

The senior leadership team will support staff in responding to behaviour incidents.

#### **5.4 Parents**

Parents are expected to:

> Support their child in adhering to the pupil code of conduct

- > Inform the school of any changes in circumstances that may affect their child's behaviour
- > Discuss any behavioural concerns with the class teacher promptly

#### 6. Behaviour management

#### 6.1 School rules are reflected in our school values

#### **Perivale School Values**

We are:

Resilient – we don't give up, we keep trying
Respectful – we are kind, we use our manners
Curious – we want to find out more
Inclusive – we include everyone
We:
Aim High – we try our hardest

These are clearly displayed in all classrooms.

#### 6.2. Behaviour Blueprint

All members of staff are expected to follow the Perivale Behaviour Blueprint which details the expectations, consistencies and routines expected throughout the school. This whole school approach presents clear expectations for behaviour. It provides a guide to enable everyone to take responsibility for promoting good behaviour and demonstrating the school values. This can be found in Appendix 2.

#### 6.3 Support for pupils with additional needs

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

#### Expectations for managing behaviour of pupils with SEND:

For all children, but particularly those with SEND, their behaviour is often a form of communication and the meaning behind this communication might not always be clear. Pupils who are showing negative behaviours might not be doing this on purpose and might find it difficult to communicate their needs or feelings in a calmer or clearer way. It might be because they are feeling anxious and are seeking reassurance. It is important that for these pupils, we look at their

behaviour as part of them and something that we can help them understand and manage.

We must remove all obstacles to good behaviour and provide support for all pupils to meet expectations.

All adults, who will be teaching a group of pupils, are personally responsible for

- knowing a child's individual needs before teaching them. They should ensure they have accessed the child's learning plans and use suggestions on these;
- using learning plans to understand what works and what doesn't work for a child with SEND, including triggers;
- adapting behaviour scripts and systems to meet the needs of individual pupils;
- evaluate why and what would work better for each child, keeping learning plans up to date;
- communicate learning plans and adapted approaches for covering teachers so the approach to managing their behaviour is consistent.

It may be more relevant to use more personalised reward systems for children with SEND. This is at the discretion of the teacher and can be personalised to each individual child.

#### 6.4 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

#### 6.5 Searching and Confiscating

Only the headteacher and members of staff authorised by the headteacher have the power to search a pupil for a prohibited or banned item, regardless of whether the pupil agrees (sections <u>550ZA and 550ZB</u> of the Education Act 1996, and paragraph 10 DfE guidance 2022).

- The person carrying out the search must be the same sex as the pupil being searched
- There **must** be another member of staff present as a witness to the search they don't have to be the same sex as the pupil

The only exception is if:

- The searcher reasonably believes that there is a risk of serious harm being caused to a person if a search isn't carried out urgently **and**
- It's not reasonably practical to summon another member of staff (to carry out the search or act as a witness) within the time available

When an authorised staff member conducts a search without a witness, they should immediately report it to another member of staff, and make sure that a record is kept.

Headteachers and authorised staff members can search a pupil for:

- Any items with the pupil's informed consent
- Prohibited or banned items, with or without the pupil's consent

#### Prohibited items are:

- Knives or weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images
- Any article that the member of staff reasonably suspects has been, or is likely to be, used to:
  - o Commit an offence
  - o Cause personal injury (including the pupil) or damage to property

#### **6.6 Behaviour outside of school premises**

Pupils' behaviour outside school on educational visits and sports fixtures, is subject to the school's behaviour policy. Inappropriate behaviour in such circumstances will be dealt with in accordance with the school's behaviour policy.

Behaviours outside the school premises, including online conduct, can be considered as grounds for a suspension or permanent exclusion. This includes incidents:

- that could have repercussions for the orderly running of the school;
- that poses a threat to another person/s; or
- that could adversely affect the reputation of the school.
- when travelling to or from school;
- · when wearing school uniform;
- when in some other way identifiable as a pupil at the school;

The decision to suspend or exclude can be made by the *headteacher*, in line with the principles of administrative law. <u>DFE guidance on Suspension and permanent exclusion</u>

### 7. Rewards and consequences

We are a school that focuses on restorative behaviour and the language of 'choice'. We model and teach all children emotional literacy and use the 'Zones

of Regulation' framework to support this. Through this taught emotional literacy, we believe in developing children's intrinsic motivation in the children to reach their goals through purposeful praise and link the feeling of being 'proud' to encourage children to make the right choices. We use effective daily recognition to ensure that children understand what they did well and what their next steps are. We use SPACE (Specific, Personalised, Achieve, Context, Extension) recognition to do this and support the learning of all children. (Appendix 3)

#### 7.1 List of rewards

Positive behaviour, including exceptional effort, work or demonstration of respect will be rewarded with:

- Positive Praise as much as possible
- House Values rewards please see table below
- Certificates (linked to values)
- Parent communication sharing positives with parents e.g. Class Dojo platform
- Special responsibilities/privileges

#### 7.2 Other rewards

Weekly, 1 pupil from each class is rewarded with a Values Ambassador Certificate for showing our school value of the month. These should be nominated by members of their class, who have noticed them demonstrating these values in school.

Weekly, 1 pupil from each class is rewarded with a Teacher's Star of the Week Certificate. This is an acknowledgement of academic achievements from the previous week.

#### 7.3 Lunch time Systems

#### Rewards:

- Verbal rewards as much as possible
- Communication with parents e.g. Positive text messages to parents, notes home, certificates
- Dojo Points

#### **Sanctions**

All staff will attempt to avoid confrontation and defuse situations wherever possible by talking to pupils in a calm, but fair manner. In cases where our standards are broken at lunchtimes a series of sanctions will be applied according to the 'Flowchart of Consequences'. It is the responsibility of the lunch time staff who witnesses the break in standards to issue the sanction.

#### 7.3 Unsettled behaviour

If an inappropriate choice has been made, we follow our levelled boundary procedures (displayed on Behaviour Blueprint) to ensure we are consistent with the language we are using as staff. We highlight inappropriate behaviour to the child privately, using specific scripts to ensure that all children have the opportunity to change their behaviour and make the correct 'choice'. The procedures ensure that the child has multiple opportunities that make the correct 'choice' and if they continue to choose undesirable behaviour, they will receive a logical consequence.

If a child displays repeated unsettled behaviour, this should be logged. If this behaviour is recurrent, class teachers should investigate more thoroughly. This may be by having a conversation with the SENDCO, the ELSA, SLT and/ or parents. Following on from these conversations, it may be that a more personalised approach is necessary.

#### 7.4 Consequences

As a school, we recognise that behaviour is a communication of a need. However, there are instances when consequences should be put in place.

At Perivale Primary School, we use a flowchart system that provides all adults with the means to ensure that all children know the consequences (See Appendix 4).

#### 8. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

#### 9. Training

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process on safe handling. This is undertaken by the Inclusion Lead.

Behaviour management will also form part of continuing professional development.

#### 10. Communication

We recognise that efficient communication mechanisms are vital in achieving good behaviour. There are systems in place to ensure that clear and consistent messages are given when dealing with behaviour issues.

staff ↔ staff (Staff meetings, Nurture meetings, Phase meetings, Year group meetings, SEN reviews, Learning Partner meetings, liaison with lunchtime supervisors, class teachers and Senior Leaders).

school → child PSHE (circle times), SEN reviews,
school → home (reports, meetings with parents, phone calls, class dojo, parents' evenings, SEN reviews, letters)
school → outside bodies (agencies, pre-school, secondary school)

### 11. Monitoring arrangements

This behaviour policy will be reviewed by the headteacher and full Governing Board/standards committee) at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour log (as per section 5). At each review, the policy will be approved by the Chair of Governors.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the full Governing Board/standards committee annually.

### 12. Links with other policies

This behaviour policy is linked to the following policies:

- > Exclusions policy
- > Child protection and safeguarding policy

### **Appendix 1: written statement of behaviour principles**

- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in permanent and fixed-term exclusions
- Pupils are helped to take responsibility for their actions
- Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life

The Governing Board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

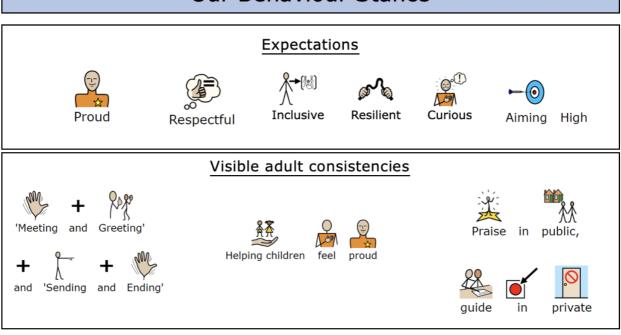

This written statement of behaviour principles is reviewed and approved by the full Governing Board every two years.
