Wellbeing Warriors

On Wednesday 06th, March, the Wellbeing Warriors went to the Ealing Food Bank at St Nicholas's church and gave them the money we raised doing the Walkathon.

While we were there, we explored what they were doing, and we saw lots of food and living essentials for people who can't always afford them or require some assistance. We met the new priest, who had only just started there, but she was very kind and supportive of the local community. The church had lots of volunteers who were helping out by

arranging and sorting all the food that had been donated.

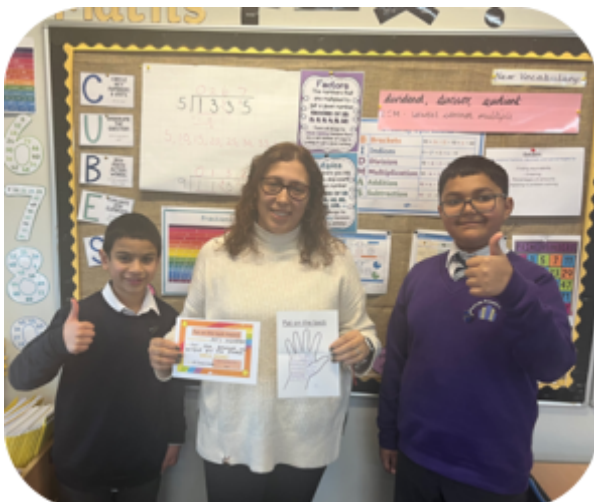

We also found out that you can donate food at local supermarkets in donation boxes near their entrances. What surprised us was the number of families who came for support and needed help from the local community.

Thanks to Perivale Primary School and our amazing families who supported and donated, we raised £1151, which is incredible!

We decided that we would like to support our families going through a hard time by contributing £151 to our in-school counselling service so that they can support families struggling with a space to talk about their worries. Thank you for supporting us as we continue our journey to help others.
